# Mr. Korn Chia

Dubbed 'the wonder seed' Chia seeds are a special ingredient that gives products a unique flavour and is reputed by many to provide benefits to our diet and general health. Mr. Korn Chia saves valuable time in the bakery by avoiding soaking the seeds before use.

## Why Mr. Korn Chia?

Chia seeds have the ability to absorb up to 10-12 times their own weight in water. So if added at a significant dosage to a bread recipe, it can result in a dry crumb, very soon after baking. Mr. Korn Chia to bread formulas, processing issues are avoided and the crumb stays fresh and moist, for several days.

\*Reference: A complete multicereal bakery mix with grains and seeds, in powder form.
